Indicate below any corrective action the plan has instituted.

(FN1) The compliance determination shall be made by averaging the organization's claims payment timeliness over the entire reporting period. If an organization is deficient in an individual month but compliant for the overall reporting period, the plan does not need to report that organization.

(FN2) The compliance determination shall be made by averaging the plan's claims payment timeliness over the entire reporting period. If a plan is deficient in an individual month but compliant for the overall reporting period, the plan does not need to report.

(FN3) For reporting purposes, an adjusted claim is a claim that the payor reimburses at a different rate than the provider's billed charges. Post-payment adjustments, which result from the reconsideration of the original claim payment after the claimant's inquiry or submission of a dispute are not included here, but should be included in the Annual Dispute Resolution Mechanism Report.

(FN4) For purposes of this report, emergency service claims are defined as "Services with a 'Place of Service Code' of ER (emergency room) on the CMS 1500 or the UB92 claim form".
